Personal Management

+Always trying to keep up with new technologies.

Practical

+Always trying to keep up with new technologies

+I am physically active and healthy

Self reflection

I am a people-person and although English is my third language, I am able to speak it confidently. I am respectful toward others which has made me become a good listener. I attempt to tasks set out by others with a forward drive and attitude for a rewarding outcome. I always try to set realistic goals as I know my work ethic is my most reliable factor.

Highlights

I have been a single-father since 2008 to my only son who turned 14 in 2018. I was selected to represent my country (Papua New Guinea) to play against the Australian (Kangaroos) for an international NRL match in 2006. My hobbies are playing the guitar and cooking as well as drawing and painting. When I was 14, I won the first prize for my country's national art competition in my age group.
